Erasmus Mundus (2009-2013) is a cooperation and mobility programme in the field of higher education that aims to enhance the quality of European higher education and to promote dialogue and understanding between people and cultures through cooperation with Third Countries. In addition, it contributes to the development of human resources and the international cooperation capacity of Higher education institutions in Third Countries by increasing mobility between the European Union and these countries. For more information, please refer to the programmes homepage (http://eacea.ec.europa.eu/erasmus_mundus).
